**SECOND INFORMATION DISCLOSURE STATEMENT UNDER 37 C.F.R. § 1.97(c)**

Pursuant to 37 C.F.R. §§ 1.56 and 1.97(c), Applicants bring to the attention of the Examiner the documents listed on the attached PTO Form 1449. This Information Disclosure Statement is being filed after the events recited in § 1.97(b) but, to the undersigned's knowledge, before the mailing date of either a Final Office Action or a Notice of Allowance.

The documents listed in this Information Disclosure Statement (IDS) were cited in an Office Action issued by the Korean Intellectual Property Office on May 26, 2006 in a counterpart foreign application. With the exception of the U.S. Patent, a copy of the Japanese document is attached, along with a copy of the Korean text of the Office Action and an English language translation thereof. An English language abstract is also provided for the Examiner's consideration.

Applicants respectfully request that the Examiner consider the listed documents and evidence that consideration by making appropriate notations on the attached PTO Form 1449.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that the listed document is material or constitute "Prior Art." If it should be determined that the listed document does not constitute "Prior Art" under United States law, Applicants reserve the right to present to the Office the relevant facts and law regarding the appropriate status of such document.

Applicants further reserve the right to take appropriate action to establish the patentability of the disclosed invention over the listed document, should the document be applied against the claims of the present application.

No fee is believed to be due for this submission pursuant to § 1.97(c), as the references submitted herein were cited in a communication from a foreign patent office in a foreign counterpart application within the past three months. However, should the Patent Office determine otherwise, please charge the required fee to Morgan, Lewis & Bockius LLP Deposit Account 50-0310.
